Blackbird Vineyards is an artisanal producer of Right Bank-inspired wines from the Napa Valley. Planted in 1997, the estate vineyard is located in the heart of the Oak Knoll District. The vineyard’s valley floor topography presents optimum growing conditions for Winemaker, Aaron Pott, to produce elegantly styled, appropriately balanced red wines that offer short and long term cellaring potential. AERENA Galleries offers the work of over one hundred emerging to internationally renowned painters, visual artists, sculptors and artisans in captivating spaces and beautiful sculpture gardens in both Napa and Sonoma. Recuerdo Wines offers enthusiasts the opportunity to experience premium wines that capture the best of Argentina’s unique terroir, specifically within the high-altitude Uco Valley. Recuerdo means “memory” or “memento” in Spanish. As such, the Recuerdo winemaking team of Santiago Achával and Pablo Martorell passionately believe that each bottle of Recuerdo should not only represent Argentina’s native terroir but also serve as a memory of each and every harvest. Crafted by winemaker Aaron Pott from 2,400 ft. high vineyards in the Red Hills of Lake County, Resolute Wines 100% Cabernet Sauvignon is steadfast in its character. The inaugural 2014 vintage, titled “lean in,” with an iconic image by artist Tony Hernandez, symbolizes Resolute Wines’ squaring off with more established brands and appellations.
