Blackbird Vineyards is an artisanal producer of Right Bank-inspired wines from the Napa Valley. Planted in 1997, the estate vineyard is located in the heart of the Oak Knoll District. The vineyard’s valley floor topography presents optimum growing conditions for Winemaker, Aaron Pott, to produce elegantly styled, appropriately balanced red wines that offer short and long-term cellaring potential. www.blackbirdvineyards.com

ÆRENA Galleries & Gardens are uniquely beautiful art and design venues featuring contemporary art and sculpture, as well as finely-edited collections of furnishings, objects and curiosities dating from the 18th century to the present. ÆRENA Galleries offers the work of over one hundred emerging to internationally renowned painters, visual artists, sculptors and artisans in captivating spaces and beautiful sculpture gardens in both Napa and Sonoma. www.aerenagalleries.com

Recuerdo Wines offers enthusiasts the opportunity to experience premium wines that capture the best of Argentina’s unique terroir, specifically within the high-altitude Uco Valley. Recuerdo means “memory” or “memento” in Spanish. As such, the Recuerdo winemaking team of Santiago Achával and Pablo Martorell passionately believe that each bottle of Recuerdo should not only represent Argentina’s native terroir but also serve as a memory of each and every harvest. www.recuerdowines.com

Blackbird Vineyards’ winemaking duo, Aaron Pott and Kyle Mizuno, are the artisans behind ÆRENA Wines. They feel that wine is a unique art in that it is ephemeral; once it is consumed, it is gone. In farming and winemaking, Aaron and Kyle strive to communicate a vineyard’s sense of place-by working the wine at the right time to expose the best characteristics of variety and site. Their winemaking philosophy is simple, “let the wines speak for themselves and screw it up. www.aerenawines.com
